# Chairman's Message

*During May and June it was our pleasure to have the Olympic swimming squad with us to train in our pool and make use of our athletic department.*

*As a gesture of appreciation, these fine athletes treated us to an exhibition of swimming just before they went north to start on the period of intensive training which will be their final preparation for the Olympics in Rome later this year.*

*It is only rarely that we are privileged to see such a concentration of talent, and it was a real pleasure for me to be there.*

*But, as I watched this scintillating display of co-ordination and athletic virtuosity, I was impressed with one thought.*

*It was that, here were, not one or two, but more than a dozen of our Australian youngsters who had, through hard work and tenacity of purpose, been able, in the few very short years since childhood, to acquire skills better than any others in the world in their particular fields.*

*How many of us can establish even a quarter as much in a whole lifetime?*

*Naturally we can't all be "champions" in our business, personal and sports pursuits. But we all can benefit by the example set by these youngsters. We can put everything we've got into our efforts and then, whether we become "champions" or not, we'll have the satisfaction of knowing we've done our best, and of himself no one can ask more.*

*John Hickey*

## Mr. AND Mrs. DEXTER ENTERTAIN OLYMPIC SWIM OFFICIALS

Rome Olympics were all the talk in the Dining Room on Saturday, 11th June, when Club Life Member Jack Dexter and Mrs. Dexter entertained leading Australian Olympic Swimming Officials at a gay party to farewell the lucky trippers.

Enjoying themselves to the full around the table decorated with Olympic emblems and Australian colours, and on the dance floor, were Australian General Manager Syd Grange with his wife and daughter, Swimming Manager Roger Pegram, Water Polo Manager Herman Doerner and Mrs. Doerner, A.S.U. President and Secretary John Morison and Bill Phillips, both of whom will officiate at the Games, and their good ladies, Norah and Nell. Also traveller to Rome and up from Wollongong Alex Fyfe, who will be an Olympic official, and wife Judy, another traveller to Rome.

## CHARLIE DUNCAN ILL

We are sorry indeed to have to report that popular Club regular Charlie Duncan was taken ill during June. Charlie became ill in the Club, and was subsequently taken to Lewisham Hospital, where, it is understood, he had to have some blood transfusions. However, he has improved considerably since then, and was able to sit up and write a letter to his Club friends when T.C.M. went to press.

Glad to hear you are on the mend, Charlie. We hope that by the time members read this paragraph you will be completely recovered and back in the Club once again, where we can enjoy the pleasure of your company.

## A MESSAGE FROM TOWNSVILLE

In the April issue of T.C.M. we recorded the visit of two very good friends of Club member Jack Flitcroft. They were Guy Ryan and Fred Sutton. Since their return to their northern home town both Guy and Fred have passed on a message of thanks to the Club for the hospitality they were extended while here.

Thank you very much for the courteous message, gentlemen. Once again we assure you it was a pleasure to have you with us, and our hope is, when you return to this city, you will once again join us as the guests of Jack Flitcroft.

## RACING CLUB SECRETARIES

Well, there's no doubt that the last two months have seen something of an upheaval in racing club circles with the secretarial changes that have taken place. As we reported last month, Parry-Okeden, previously Secretary of the A.J.C., moved from that post to take up one as Director of the R.A.S. Since then, S.T.C. Secretary "Snow" Lachal has gone to the V.R.C. (the secretarial post there being made vacant by the retirement of Keith Morrison), and the appointment of the new A.J.C. Secretary, Mr. Derek Glasgow, has been announced.

"Snow" Lachal has been Secretary of the S.T.C. for the last 13 years. Previously he had a distinguished war record, and was the first C.O. of No. 10 Squadron in England, that famous Sunderland unit which did such important reconnaissance work through the war. "Snow" was a permanent R.A.A.F. officer until his retirement from the Service to take over the S.T.C. post, and joined the R.A.A.F. in 1926.

Derek Glasgow's appointment was an internal one, as he had been Treasurer of the A.J.C. for the previous 11 years. Derek Glasgow also had a distinguished war record, and will be well remembered by armoured corps returned soldiers as C.O. of the First Armoured Regiment at Finchhafen and Balikpapan.

To member "Snow" Lachal we offer sincere congratulations on his new appointment, but are indeed sorry that his new duties will take him away from Sydney and preclude his regular visits to the Club.

## BILL PHILLIPS INTERNATIONAL DIRECTOR OF LIONS

It was a real pleasure to receive the news during June that well-known member W. (Bill) Berge Phillips was appointed International Director of Lions International. In this capacity he will represent Australia, New Zealand, and Indonesia.

This is a very fine and well-deserved tribute to Bill, who has given so much time and effort and achieved so much for the Lions Club here in Australia.

Bill will be leaving for Rome to officiate at the Olympic Games as a general referee in the not-too far-distant future, and this is a timely trip for him, for in his new capacity he will attend an international Lions' meeting in Chicago on his way to the Games.

All members offer their heartiest congratulations on your appointment, Bill, and wish you a very happy trip overseas.

## BILL McINTOSH'S SON HERE ON VISIT

In the May issue of T.C.M. we made mention of an impromptu round-the-world trip made by Club member Bill McIntosh, which all started from a visit to his son in Canada. Bill must have done some fast talking while in our sister dominion, for Bill was seen in the Club last month proudly hosting his son, who was paying his first visit here for six years.

Bill tells us that he will probably be settling here, so we offer to him a hearty welcome back to our shores, and hope to see him around with Dad in the future.

## Mrs. GRAVES PASSES AWAY

It is with the deepest regret that we announce through these pages the passing of the wife of one of the oldest and most respected members of the press. Mrs. Graves, wife of Cliff Graves, died on Sunday, 19th June. The Graves had been married for over 45 years, and were a most attached couple. Before the illness which finally caused her passing, Mrs. Graves used to accompany Cliff on many of his interstate racing reporting trips.

The multitude of members whom you have made your friends over the many years you have been at Tattersall's pass on to you and your three children their sincere condolences on the tremendous loss you have sustained, Cliff.

## NEWS FROM W. C. ALLEN

In the last issue of T.C.M. we made mention of a message passed on to members of Tattersall's Club by the Duke of Edinburgh through our member, Bill Allen, who attended a garden party at Buckingham Palace.

Since then we have had a letter from Bill, who, at the time of writing, was in Russia on his round-the-world trip. Bill's itinerary took in England, Poland, Germany, and many other countries.

In his letter to T.C.M., Bill says: "We arrived in Poland after travelling through Belgium and Germany accompanied by another member and his wife, Mr. and Mrs. Harold Sidgreaves, who had enjoyed a very pleasant journey over to England on the *Orcades*.

"We arrived in England the day before Princess Margaret was married, and the atmosphere was terrific. The ceremony and decorations were beyond description."

Bill goes on to describe his Russian trip, and one interesting point he brought out was the fact that he had been talking to a Russian tourist executive who told Bill that Russian tourists would very shortly be coming to Australia.

Bill asked us to pass on to all his friends through these pages his kindest regards and best wishes.

### WORLD CHAMPIONS GIVE EXHIBITION IN CLUB POOL

It was a real treat and something of an historic occasion when the Olympic Swimming Squad gave a lunch-time exhibition during June in the Club pool, in appreciation of our making available the Athletic Department facilities to them during training.

The exhibition was held the day before they left for concentrated training at Townsville. Practically every one of our champions, both men and women, were present for the occasion, and all gave exhibition swims. So unassuming were these youngsters who are to represent us at the Olympic Games, that it was hard to realise there were no less than seven world champions in their number, with two of these undoubtedly the greatest swimmers the world has seen to date. These latter being, of course, Dawn Fraser and John Konrads.

However, immediately this squad of fine athletes hit the water, it was easy to see by their grace and power and remarkably effortless skill why they had achieved such fame in their chosen sports. This was a real sight to see, and the many members who gathered on the Third were fortunate indeed to have been able to witness such an exhibition.

In thanking the Squad and wishing them the best of luck, Club Swimming Club official, John Dexter, echoed the good wishes of every Club member for their success at the Olympic Games.

### McKENNA'S STILL GOING STRONG

We were pleased indeed to see a report in the paper early in June to the effect that popular 85-year-old Club member Neil McKenna had his habitual icy calm ruffled for the first time in his 74 years' connection with racing.

The occasion which brought about this unprecedented event was Scottish Inn's fighting finish to win the First Belmore Stakes at Canterbury. Scottish Inn's win gave Albert McKenna, Neil's son, his first win as a trainer. As most members know, Albert acted as Neil's foreman up to the time Neil retired, and then obtained his own trainer's licence.

Said Neil of his unprecedented "riding home" of Scottish Inn, "I never get excited, not even when I won the Summer Cup with Double Blank and important hurdle classics with Sixteen Annas and Palbi. But today I was thrilled to see my son start following in my footsteps."

All members who have known and respected you during your 74 years in racing, Neil, are also thrilled to see the McKenna name carry on in the person of Albert. Hearty congratulations to both you and your son.

### S. M. NORTON NAMED RURAL BANK COMMISSIONER

A very well-deserved appointment to the post of Commissioner to the Rural Bank was that of Club member Mr. S. M. Norton, who has had no less than 45 years of banking experience.

Mr. Norton started his distinguished career with the former Government Savings Bank of N.S.W., and joined the Rural Bank in 1933 as Assistant Chief Accountant. A year later he became Secretary of the Rural Bank, a post which he held until 1948. He was promoted to Chief Accountant and Registrar of Incorporated Stock when this Bank achieved full trading status.

A further promotion in June, 1953, saw Mr. Norton as Chief Superintendent of the Rural.

Mr. Norton was Vice-President of the Association of Accountants of Australia for over 20 years, and is still an active Fellow of the Australian Society of Accountants. He is a qualified Accountant and Secretary, and demonstrated his skill and ability early in life when he gained first place in the Commonwealth Intermediate and Final Accountancy Examinations.

Mr. Norton's appointment as a Commissioner is the culmination of a very distinguished career, and all members offer hearty congratulations on his appointment.

### WINNING OWNERS

We have at least two Club members who wore wide smiles during June, for both are owners, and both got their horses up for a win last month. They are Tom Cox and Fred Allsop.

Kerrie achieved a convincing win for Tom and, while it is always a pleasure to see your colours come first through the gate, Toms was perhaps tinged with a faint touch of regret, for he assured us he didn't even have a tote ticket on Kerrie the day it won. This must have been particularly disheartening, as there was 50 to 1 on offer about Kerrie at the course.

It was good to see Fred Allsop get Tudor House up at the A.J.C. Warwick Farm meeting. Fred hasn't had the best of luck recently, and all his friends sincerely hope that this is the start of a better run for the future.

# EDWARD ADAMS

Civic administrator and versatile natural sportsman are the terms which summarise the career and character of our City's Town Clerk, Edward Adams. Ted, whose whole working life has been spent in the service of the City, has had a natural bent and facility for sport since his youth, which has made him excel in many, where most of us are fortunate if we excel at one.

Ted was born in Bathurst, but came to Sydney at an early age to complete his education. This he did at the Patrician Brothers' College in Sydney. Here he played cricket, a sport in which he was later to become very well known.

On leaving school he joined the staff of the City Council as a clerk in the Health Department. His eagerness to increase his education and a deep interest in the administration of civic affairs led him to take various courses at the Sydney Technical College associated with his work.

As he progressed further with his career he took a special two-year course in public administration at the Sydney University under the now well-known Professor Bland.

Showing the ability which his superiors were later to recognise and reward, he passed this course with distinction.

He progressed from Health Department Clerk to Chief Clerk in the same department. From there to City Prosecutor, then to Chief Clerk of Administration, which, in turn, led to his appointment to the important post of Deputy Town Clerk in 1942 and, finally, to Town Clerk on 5th March, 1956. In this latter position he succeeded his great personal friend and very popular Club member, Roy Hendy.

From his early youth Ted showed a natural talent for sport. After leaving school he played first grade cricket for Redfern, Petersham, and St. George in turn, and was Captain of the latter district.

However, his ability in this field was to lead him even further, and he represented the State on several occasions in Sheffield Shield. He achieved the ultimate in his career when he went away on a four months' tour of the Far East with Charlie Macartney's Australian team.

His particular forte was medium-pace bowling, and he will smilingly tell you that one of the most memorable occasions in his cricketing career was when he bowled the legendary Victor Trumper for a very low score.

However, it was not only in cricket that he was to excel in the sports world, for he was also a baseballer of no mean

repute, again representing N.S.W. against other States on many occasions, and ultimately becoming an interstate selector.

Rugby Union was another sport in which he was to do well, and he played first grade for Eastern Suburbs in his young days.

Surfing was also to capture his interest, and Ted was a prominent member of the Cronulla Surf Club, where, on occasions, he swam with our Club Treasurer, Frank Carberry.

In golf, too, he was to add to his laurels, and he played off a handicap of seven at the Cronulla Golf Club, where he was Captain for several years.

After advancing years and the increasing demands of his career made it difficult for Ted to actually participate in the various sports in which he had made his mark, it was perhaps only natural that his love of them led him into administrative duties.

Ted has been a member of the N.S.W. Cricket Association for 30 years, and for the last 14 has been Vice-President. He is also a Trustee of the Sydney Cricket Ground.

In recognition of his contribution to cricket he has been made a life member of the N.S.W. Cricket Association, the Cricketers' Club, of which he was one of the founders, and the St. George Cricket Club.

On the civic and social side of life, Ted has been no less active nor prominent.

He is presently a Fellow of the Royal Institute of Public Administration, member of the Sydney Opera House Executive Committee, member of the Sydney Symphony Orchestra Advisory Committee, Councillor of the N.R.M.A., Honorary Secretary of the Sydney Committee, a member of the Rotary Club, Chairman of the Streets Opening Committee, and Honorary Secretary of the N.S.W. Bushfire Relief Fund, and also of the Flood Relief Fund.

## EXHIBITION BY NINE WORLD CHAMPIONS

*Exhibitions by Australia's Olympic Swimming Team, a victory by John Brice in the monthly Point Score, and prospects for the Club Championship were the talk in the Pool last month.*

On 14th May members of Tattersall's Club had the pleasure of seeing Australia's swimming stars in action in a delightful half hour's series of exhibitions on the eve of the departure of the team for Townsville for a couple of months' intensive training before departing for Rome on 18th August to take on the world's best at the Olympic Games.

Rarely has such a galaxy of speedsters appeared in one pool at the one time. The 18 swimmers who appeared held between them eight gold medals and two silver medals at the Melbourne Olympic Games and, had Murray Rose been able to appear, the tally would have been 11 gold medals.

Also nine of the swimmers had their names inscribed in the list of world's records.

Working up from a swim by up-and-coming freestyler Ruth Everuss, followed by three young men who will make their marks in the game, Alan Wood, Bob Windle, and David Dickson (W.A.), the exhibitions went smoothly to Australia's star back-strokers, Gergaynia Beckett, captain of the women's team, and Marilyn Wilson.

World's record-holders at backstroke, John Monckton and Julian Carroll, went with young Kevin Berry, world class breast-stroker, and then the baby of the team, Jan Hogan (breast-stroke) and blonde Jan Andrews (back-stroke) swam four laps.

Three of the fastest sprinters in the world, John Devitt, Jon Henricks, and Geoff Shipton, went five laps "on the bit" in time that would have won Australian titles not so long ago. Then came those three wonderful record-holding girls, Dawn Fraser, Ilsa Konrads, and Lorraine Crapp, who raised the enthusiasm of the onlookers with five laps of stylish stroking.

To end the snappy exhibitions, holder of all the world's records except 100 yards, 100 metres and 200 metres, John Konrads, showed how easy it was to sail over six laps.

In between times, three of the Australian water polo team, Teddy Pearce, Dick Thornett and Vic McGrath, gave some of their polo ball throwing.

All in all, it was a very illuminating half-hour, and sent our members away with the realisation that the Club Committee had done its bit towards success in Rome by inviting the team to use the Third Floor facilities for two months for the intensive calisthenics, weight-lifting, etc., which had put the Olympians well on the way to perfect condition for the big tasks ahead.

Chairman John Hickey welcomed the team, and said how pleased the Club had been to assist athletically and financially. He asked Olympic President, Sir Harold Alderson, to say a few words, and introduced team General Manager, Syd Grange; Swimming Team Manager, Roger Pegram; Water Polo Team Manager, Herman Doerner; Swimming Union President, John H. Morison; and Union Secretary, Bill Phillips.

After the show in the Pool, the Club Committee entertained the swimmers and officials at a very enjoyable buffet luncheon in the Board Room, at the conclusion of which John Morison and team Captains Gergaynia Beckett and John Devitt thanked Chairman John Hickey and his Committee for their splendid gesture.

Our members will now surely feel a personal interest in the doings of the swimmers in Rome.

In Club swimming, John Brice had an easy win in the monthly Point Score from Allan Ball, with Clive Gorland and Keith Longworth level in third place.

This was John's first win, and a popular one, too.

In the current series, it looks like a really good go, with Fred Harvie showing his first glimpse of his old-time form to lead Bill Mackenzie by half a point, with Les Bear, once again on deck, and Sid Kay a similar margin away in third place, Ken Mettam another half point behind, followed closely by Harry Bate, Clive Gorland, and Allan Ball.

The contest for the 1959/1960 "Native Son" trophies is all over bar the shouting, with Allan Ball 14 points ahead of Sid Kay, and Col Bowes three further astern.

With only two events to complete the season, the battle for the minor places is a keen one, as four or five have chances of landing a minor place.

Probably by the time this issue of the Magazine comes out the Club Championship will have been swum and won. Heats are set down for Tuesday, 19th July, and the final for Thursday, 21st July.

The chances for first place appear to rest between the two who hit the headlines last season, David Emanuel, winner, and Bill Kendall, second, but the tussle for the third placing has the experts guessing, with Carl Phillips, Norm Rogers, Bob Harris, Leigh Bowes, Keith Longworth, Allan Ball, Fred Harvie, Rollo Moore and John Dexter all in the picture.

Just to assess chances, let us mention the best heat-winning times of last

month—18.9 and 19.5 by Bill Kendall, 20.9 (twice) by Allan Ball, 21.2 by Bob Harris, 21.2 and 22 by Keith Longworth, 21.6 by John Dexter, 21.6 and 21.9 by Fred Harvie, and 21.7 by Rollo Moore.

During the month John Utz said farewell to the boys before departing overseas for a nine weeks' trip. Best of luck, John!

The handicappers reaped a harvest in the last month but one of the season, and joyfully dropped the following a second for time-breaking:—Allan Ball, John Dexter, John Brice, Bill Kendall, Ken Mettam, Bill Mackenzie and Fred Harvie—almost a record haul for any month.

## GREAT BILLIARDS AND SNOOKER MONTH

*June was a month packed with interest and activity in Billiards and Snooker quarters. Firstly, our annual competitions got under way, and the early rounds provided some surprises, with last year's Snooker Champion, Bert Barnes, going down to Mel Watson. Secondly, our Blitz Tournament was held as usual, and here again results were somewhat unexpected. Thirdly, the Combined Clubs' Billiards and Snooker competitions got under way, initially with a Snooker fours event, in which Tattersall's fared rather badly. And, fourthly, many enthusiasts were provided with a real treat in the form of the exhibition given by Snooker world champion, Fred Davis, admirably assisted by amateur champions Warren Simpson and Frank Harris.*

Among the most outstanding performances was Fred Vockler's display against Jack Lloyd. Rarely have we seen the "Chief" in better form. Jack, however, stood up well under the barrage, and almost snatched the game on the colours.

Mel Watson and Bert Barnes' game went to a black ball—the usually accurate Bert missed an easy pot on the black, alas! Neither of these two very evenly matched players can afford such errors, and Mel ran out a winner.

Johnny Holmes' defeat of Eric Westhoff put another favourite out of the running. Congratulations, Johnny — commiserations, Eric!

Tony Miller had his first run downstairs and, although defeated, will no doubt have benefited from his experience in the "bull ring."

Hans Robertson, who conceded 50 on handicap to A. Gott, showed a brilliant return to form, and was very unlucky to lose on the black ball.

#### INTER-CLUB COMPETITION

Two meetings of the Combined Clubs' Billiards and Snooker Competition Committee have been held, one at Royal Automobile Club of Australia on 2/6/60, and the other at Tattersall's on 21/6/60.

Those present on each occasion were: Mr. J. R. Rolle, Millions Club (Chairman); Mr. N. C. Gollmick, Millions Club; Mr. P. W. McGrath, Tattersall's; Mr. C. B. J. Scutts, N.S.W. Sports Club; Mr. D. Robertson, Schools Club; Mr. A. E. Atkinson, Imperial Service Club; Mr. W. Irvine, Royal Automobile Club; Mr. R. M. Cook, Royal Automobile Club.

It was resolved that Major Graham of Millions Club be appointed Hon. Secretary.

Initially the competition is to be restricted to Snooker Fours, each Club team of three (3) pairs, graded numbers 1, 2 and 3. These to play the opposing

1, 2 or 3. Matches to be played fortnightly, commencing 16/6/60, the best of three frames per match.

The first round resulted in some surprises: — R.A.C.A. (2 games) defeated Tattersall's (1); Millions (2) defeated Schools (1); Imperial Service (3) defeated Sports Club (nil).

Our teams:—No. 1, K. D. McDonald and V. L. Kirby; No. 2, H. H. Tonks and C. Brelaz; No. 3, J. D. Hickey and P. W. McGrath.

Tattersall's team was not by any means disgraced, despite the high standard displayed by R.A.C.A. The result rested on the last game played by No. 1 Team—a black ball game. Bill Irvine and Norm Morrison of R.A.C.A. were in rare form, and Ken McDonald and Vince Kirby did well to hold them to such a close finish.

All members are invited to play in these matches. Your Committee hopes to change the teams round by round—so be in it!

Members of all teams who took part in the first round were unanimous in their praise of this new venture, and your Committee looks forward to a time when a handicap event will be staged, together with a championship to round off the year's activities.

#### PROFESSIONAL COACHING

Tattersall's members will be pleased to know that the other Clubs in the competition are very interested in the

scheme we have had in mind. A Sub-Committee of two, viz., C. B. J. Scutts and P. W. McGrath, has been formed to inquire into ways and means of organising and financing professional coaching within the various Clubs.

#### THIRD "BLITZ" SNOOKER TOURNAMENT

Results: N. C. White, 1; K. D. McDonald, 2; L. Levi, 3; R. Brooks, 4.

Congratulations, Norman.

Low-marker and last month's trophy winner Ken McDonald looked all set for a win half way through the match. Norman's win, however, saved the rather apprehensive handicappers a deal of embarrassment. Some very firm favourites were toppled early, namely, Bert Barnes, Ralph Davies, Sid Lane, Arthur Miller, Bert Tonks and Vince Kirby.

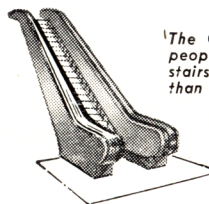

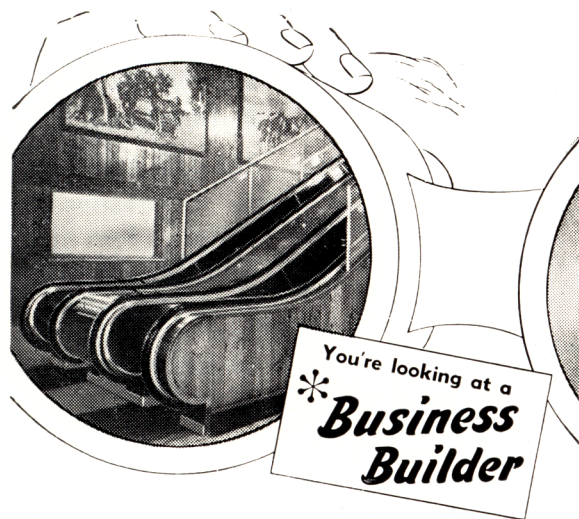

New members this month are Arthur Miller, Ross Mackinnon, and Joe O'Sullivan. All are well known to us at Tattersall's. Erstwhile Committeeman Arthur is a Life Member, and was, for the most part, responsible for the success of Grand Billiards and Snooker Tournaments for many years.

NEXT "BLITZ" SNOOKER NIGHT, WEDNESDAY, 17th AUGUST, 1960, at 7.30 p.m.

#### FRED DAVIS SNOOKER EXHIBITION

Capping a month's feast of Snooker and Billiards, the World's Open Snooker Champion, Fred Davis, with the assistance of Amateur Champions Warren Simpson and Frank Harris, gave a display of Snooker comparable only with the Billiards of the all-time great Walter Lindrum.

The Champion had the onlookers on their toes from the first to last ball with his sheer magic.

## MAN OF THE MONTH

(Continued from page 6)

Truly an impressive array of civic and sporting honours and duties; yet, with all these, he has still been able to fit in three overseas trips in the last seven years. These were in 1953, when he went away with the Lord Mayor to represent the City at the Coronation, in 1958, and again this year. These trips took him to England, America, and many countries on the Continent.

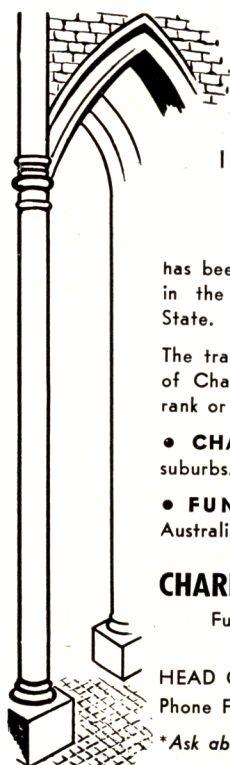

Ted is a very keen racing enthusiast, but finds less time than he would like to attend meetings. However, he is always present at the principal meetings at Randwick, and is a keen but small punter.

He is an honorary member of the A.J.C. and S.T.C.

Ted has been a member of our Club since 1952, and has a nephew, John Peoples, who is also a member.

## MANICURIST AT YOUR SERVICE

Mrs. Olive Bragg, an experienced gentlemen's manicurist, late of The Australia Hotel, will be in attendance in the Barber Shop on the first floor three days a week. Times and hours are: Monday, Thursday and Friday, from 9.30 a.m. to 5.00 p.m. Appointments are optional, and all members are welcome.

## Annual Meeting Elects Officers

*Our Annual General Meeting, at which all officers were re-elected, a splendid day's bowling with Waverley Bowling Club, and a similar one at Double Bay, made our month a busy one indeed. We had a win against Waverley, and also one against Double Bay, which made it a successful one as well.*

Twenty-eight players turned up on Thursday, June 16, at Double Bay. Trophy winners were Lew Moss (his first trophy win with Tattersall's), Homer Jones, and Jack Phillips.

At Double Bay on Thursday, June 23, an impromptu match against Double Bay was the competition for the day.

An unusual coincidence lay in the fact that both Double Bay and Tattersall's had 24 players on their lists for the day.

As there was only one rink available, President Gordon suggested we play Double Bay. The challenge was accepted by Double Bay President, Arthur Wilcox.

Tattersall's were successful, winning by 123 shots to 118.

Trophy winners for the day were Double Bay players Athol Calder, Dr. Tom Connelly, M. Hoare, and Dermot O'Brien.

The day also saw the return of Cedric Emanuel, who lost no time getting back with the Bowling Section immediately on his return from overseas.

All Tattersall's members, and particularly the Bowling Section, wish Frank Geddes a speedy recovery and a quick return to the Bowling Section. Frank is in Gloucester House, undergoing a very serious operation. If courage is all that is needed, Frank, you have it beaten already.

Welcome to new member Bert Barnes. Hope your days with the Bowling Section win you away from your former love of Snooker.

David Alexander holds the record for long membership of Waverley Club. He has been an active bowling member for 50 years, a record which will take a lot of beating. Keep it up, Dave! You certainly look good for another 10 years of active bowling.

### TWELFTH ANNUAL GENERAL MEETING

On Monday, 27th June, the Twelfth Annual General Meeting was held on the fourth floor at 3 p.m.

Over 40 members were present, which is a record attendance, and augurs well for the forthcoming season.

All office-bearers were re-elected. Jack Keogh resigned from the Vice-Presidency owing to pressure of business.

Although showing a loss of some £40, the Club is in a healthy financial position, with a credit balance of £376.

President Gordon thanked all office-bearers for their support, and welcomed Double Bay President, Arthur Willcox, and Waverley Hon. Sec., Cliff Wharton, also thanking them and their Clubs for placing their greens and amenities at our disposal.

The meeting closed with the presentation of the Club's Singles

Championship trophies to winner Noel Hough and runner-up Frank Geddes.

A very pleasant hour was spent at the bar, with drinks on the Bowling Club, which also supplied a very delightful buffet.

### BIG DAY AT WAVERLEY

On June 9 we were the guests of Waverley Bowling Club for luncheon and bowls. Forty-eight Tattersall's bowlers met a like number from Waverley.

This was the 22nd match against Waverley, with honours about even.

On this occasion we were successful, winning by 248 shots to 236.

President Gordon no doubt excelled himself in rounding up first-class teams to uphold the prestige of the Tattersall's Bowling section.

Below are the teams and scores. Just glance through the big names in the bowling world, and judge his effort for yourself.

## "Winooka" & "Good Idea" Comp. Keep Handballers Busy

### Many Surprise Results in Both Events

*The handballers have been having a very busy time. The Committee's new system of calling for entries has proved a great success. For the first time, this system was used in the "Good Idea" Trophy, and it has speeded play up considerably.*

Already the full first round has been completed, and quite a few in the second round. We had 20 entries, and all players are enthusiastic. Results up to date are:—

#### FIRST ROUND

Peter Lindsay defeated Ron Spencer 41-37, Max Sernack defeated Cuth Goddard 41-35, Robert Lipman defeated E. E. Davis 41-21, Bill Kirwan defeated Trevor Barrell 41-35, Ralph Davies defeated Norm Rogers 41-32, John Brice defeated Bruce Partridge 41-33, Leigh Bowes defeated Neil Barrell 41-29, Bill Hannam defeated Eric C. Thomson 41-29.

#### SECOND ROUND

Ken Glass defeated Robert Lipman 41-37, Ralph Davies defeated Jim Comans 41-37, John Brice defeated Ernie Phillips W.O., Bill Kirwan defeated Les Bear 41-37.

It would be impossible for me to describe every game. The biggest surprises were the defeat of Eddie Davis and Bruce Partridge and the welcome return to form of Bill Kirwan.

Robert Lipman gave a superb display of handball to defeat Eddie Davis 41-21. Any member who has been reading these notes for the past few years will realize that Eddie Davis is a past Club Champion, and is only beaten on very few occasions. This time he was never "in the race." Robert simply did not make a mistake, and the scores 41-21 indicate the high standards he reached.

John Brice also gave us a surprise. He defeated Bruce Partridge 41-33 in a thrilling match. Bruce is a past Club Champion and, in my opinion, is simply "unbeatable." John proved how wrong I could be by not only winning, but winning very comfortably.

It was a big-hitting match from the commencement, and I was thrilled the way John stood up to everything Bruce could give, and was then able to produce a few "aces" of his own which proved to be winners. Congratulations, John.

Robert Lipman met Ken Glass in the second round, and what do you think happened? Ken defeated him 41-37 after a glorious display by both men. Robert, after defeating Eddie Davis in the first round, was a hot favourite for this match. He could not, however, hold Ken off, and the result was "Ken the winner."

Bill Kirwan had two wins—first over Trevor Barrell 41-35, and against Les Bear 41-37. This was a personal triumph for Bill.

Some time ago he broke his arm just below the elbow, and it was feared that he would not be able to use it again for handball. Bill is a very determined

fellow, and did not accept this view. The result: two fine wins.

Both matches were fast and tough, and Trevor and Les were unlucky to meet such a determined man in rare form. Our heartiest congratulations, Bill.

Ralph Davies, playing off his new handicap of scratch, gave a real champion display to defeat that good sportsman Norm Rogers 41-32, and Peter Lindsay came from the clouds to defeat Ron Spencer 41-37. Peter did not appear to be in the race at 27-35. Ronnie, however, could only manage two more points, to give Peter a very nice win.

A special mention for my good friend Jim Comans. James does not manage to win many matches. However, it is a delight to have him in our competition. He is always ready and willing to play. Although Ralph Davies defeated him 41-37, Jim reckons that it was only because he had just returned from Surfers' Paradise, and really needed the run. Just watch out next time.

#### TOPS AND BOTTOMS FOR "WINOOKA" TROPHY

Whilst all the matches for the "Good Idea" Trophy were being played, our members were not neglecting this event. Results of all games in the second round were as follows:—

#### TOP HALF

F. L. Bowes defeated Gordon Boulton 41-28, Ralph Davies defeated Norm Rogers 41-31, Bill Hannam defeated Peter Lindsay 44-42, Malcolm Fuller defeated George McGilvray W.O., Robert Lipman

defeated Jim Comans 41-36, Col Chatterton defeated Geoff Eastment W.O., E. E. Davis defeated W. Sellen 41-31, Andy McGill defeated Bruce Partridge 41-29, Les Bear defeated Keith Longworth W.O.

#### BOTTOM HALF

John Brice eliminated Viv Thicknesse 41-38, Ken Glass eliminated Clarrie Woodfield 42-40, Syd Kay eliminated Neil Barrell 41-30, Ron Spencer eliminated Eric C. Thomson 41-36, Cuth Goddard eliminated Bruce Chiene W.O.

A new draw has again been made, the losers in the "Top Half" being added to the winners in the "Bottom Half." Those remaining in the "Top Half" were re-drawn, and the winners and losers in the "Bottom Half" were also re-drawn. This draw is now posted on the Club's notice board. I do not propose to give you details of these matches, but Peter Lindsay, Ken Glass, John Brice, Ralph Davies, Ron Spencer, Leigh Bowes, Andy McGill and Bill Hannam all had very nice wins. Congratulations to all these and the other winners.

#### PERSONAL NOTES

I am very happy to report that our very good friend and member, George Goldie, is doing well after his long illness. My last report was that he is still out at Lewisham, but able to get up and sit on the verandah on sunny days. This is indeed a good report, George, and we hope that you will be home very soon.

A cheerio call also to Mrs. Goldie, who has been a tower of strength to her husband.
